My dear Mrs. Manley,

Pertaining to our brief telephone conversation this morning may I say that I will continue publicizing my second week of baseball announcements pertaining to the Newark Eagles working in the Negro National League games of the week end. You might be interested to know that publicity will be aired on two additional programs on Friday & and one on Saturday. Here are they:

Friday

Jack O'Reilly- Station WHOM 1450 kil-N.Y.C.
at 5.50 P.M.

Marty Glickman-Station WHN- 1050 kil. N.Y.C.
at 10.45 P.M.

Friday & Saturday.

I heard Don Dunphy's show last Friday and he really gave the league every very nice lot of publicity.

I enjoyed the game Sunday and will honor Leon Day on my SPORTSCOPE broadcast Thursday, May 9 at 10.15 over WJRL 1600 kilocycles.

I'll call you on Friday morning to complete final details on the matter. All the best.

Sportingly,

Jacko Maxwell
